Truths of Islam Foundation Announces "Peace & Friendship Card"

Baton Rouge, Louisiana, May 5th, 2007 – Concerned Muslims and Non-Muslims have joined hands to design and distribute a simple card of the Prophet Mohammed's words of Peace and Friendship. This "Truths of Islam" card is being distributed with funds from sponsoring individuals and companies wishing to bring a more realistic image of the historic meaning of Islamic beliefs to non Muslims everywhere. They feel the very small minority of radical extremists do not speak for all Muslims and so wish to take this opportunity to tell friends and neighbors of the real love and compassion that is and has long been a part of their faith. TOI Foundation believes that through dialogue, one to one, will the truth of both cultures ultimately be understood and the lies of the few be brought to light.

In this effort to correct the distorted images pervasive in the press and gossip, Truths of Islam Foundation has partnered with Hajj Coin Foundation to include a free set of Truths of Islam cards with every Hajj Coin Medallion ordered on its website at <http://www.HajjCoin.com>. Additionally, it is seeking other concerned Muslim and non Muslim businesses and groups willing to help in this effort.

The funds for this "Neighbor to Neighbor" educational campaign have been provided by concerned Muslims and non Muslims to help in the printing and mailing cost necessary in the distribution of these TOI Cards to individual Muslims willing to share them with friends and neighbors, Libraries, Schools, Churches, and the Print and Electronic Media.

The two founders, an Arabic American and an Irish American, have created a website at <http://www.TruthsofIslam.com> for the purpose of enlisting the support of all those who feel as they do that if someone does not act now then when and if not with a direct counter to the lies then with what?

Any concerned individuals or businesses desiring to help in the distribution of these Educational Truths Of Islam Cards are welcomed by TOI and encouraged to contact the TOI Foundation at email: info@TruthsofIslam.com or call 706-717-0591.

The following is the text of the Truth of Islam Card being distributed:

Truths Of Islam Card: Sayings Of The Prophet Mohammed - Allah: Do you love your Creator? Love your fellow-beings first. **Aged:** Verily, to honour an old man is showing respect to Allah. **Charity** is a duty unto every Muslim. He who hath not the means thereto, let him do a good act or abstain from an evil one. **Christians & Jews:** When the bier (*funeral procession*) of anyone passeth by thee, whether Jew, Christian or Muslim, rise to thy feet. **Allah is merciful to those who show mercy to others.** **Control Of Self:.....**Be not angry. **Jihad** The most excellent Jihad is that for the conquest of self. The ink of the scholar is more holy than the blood of the martyr. **Kindness** Assist any person oppressed, whether Muslim or non-Muslim **Peacemaking** That person is nearest to Allah, who pardons . . him who would have injured him. **Truth** It is not worthy of a speaker of truth to curse people. **Women** are twin halves of men. *Sayings compiled by Dr. Abdullah Al-Mamun Al Suhrawardy in 1905.*
